Surabaya. Immortalized in the novels of Joseph Conrad and hailed "The City of Heroes". Indonesia's second largest port and the springboard to East Java's most breathtaking scenery. A city surrounded by volcanic mountains, mystical backdrops for golden kingdoms of the past - Kediri, Singhasari, Majapahit...

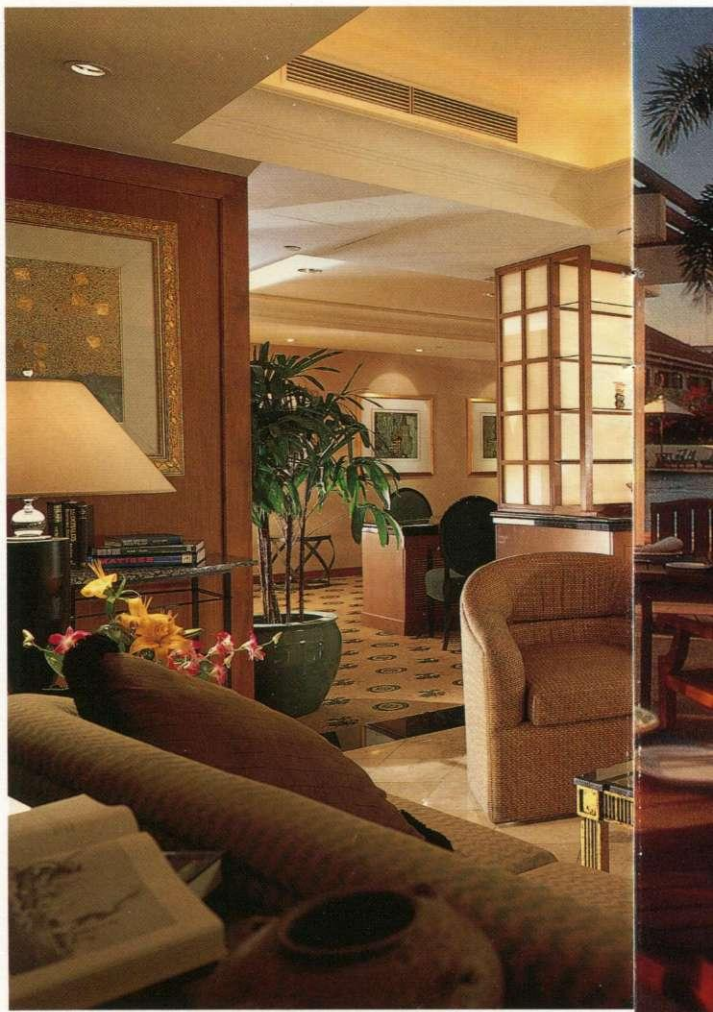

In the heart of this bustling metropolis lie the real finds of East Javanese literature, music, drama and temple art beautifully hand-crafted into intricately carved antiquities and exquisitely woven into traditional fabrics. Here too, lies a haven for the travel-worn soul - Hyatt Regency Surabaya.

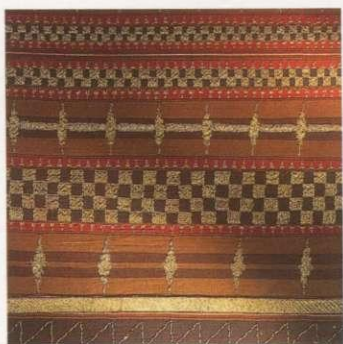

Hyatt Regency Surabaya enfolds you in the lap of luxury with all the trappings of 5-star hotel living. Lush green tropical gardens surround a modern complex of world-class facilities.

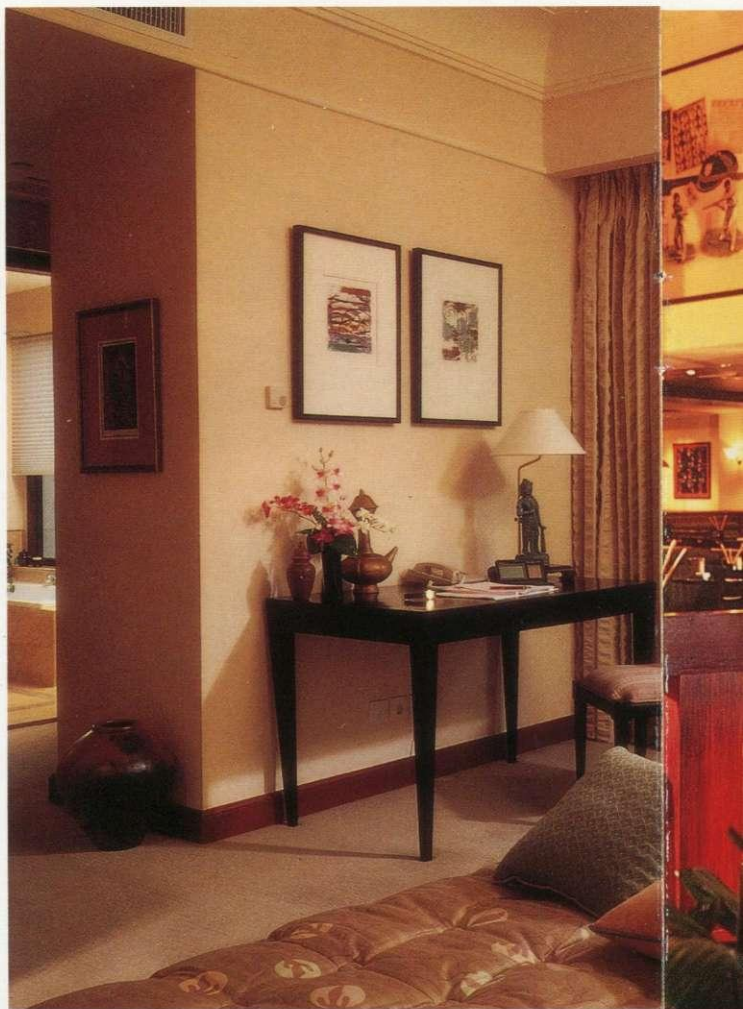

From the moment you step into the elegant calm of the cool marble-tiled lobby, you'll experience the style, quiet elegance and efficiency synonymous with Hyatt hotels.

The top 10 floors of the imposing 25-storey Regency Tower extols all the exclusive comforts and benefits of Regency Club travel. Taking all the business traveller's needs in its stride, the elegant Regency Club rooms provide full butler service, in-room computer and fax ports, complimentary breakfast, evening cocktails and all-day beverage service.

Our Deluxe rooms provide you more than spacious, modern comforts. You will experience Hyatt's gracious hospitality sprinkled with Javanese charm. Our two Presidential Suites pay homage to gilded luxury living. And from the Regency Tower Penthouse, a panoramic view of the city. Surrounded by the ultimate in hotel accommodation, these Suites are artfully decorated with subtle yet rich ornamentation. From the exclusive handcarved furniture and stonework to the exquisite paintings on the walls, you are pampered and cosseted round the clock.

The cosy pub-style Tavern provides the perfect escape from the rigours of a long business day. Tuck into a hearty pub meal, a game of darts, pool or simply sit back with a long cool drink to the tune of a live band.
